

Physical Education Teacher
Grades K-5

Escuela Éxitos is a Two-Way Dual Language Spanish/English Immersion school seeking highly qualified teachers to join its founding school team of academic leaders. We are a diverse learning community that will serve and develop bilingual and biliterate future leaders ready to change the world. We believe that learning should be both rigorous and joyful. The K-5 public charter school utilizes personalized, student-centered learning, global education, and collaborative strategies to ensure its scholars are prepared to thrive in a diverse and global future.

Key elements of the Escuela Exitos model include:

- Two-Way Dual Language Immersion for Language and Literacy learning using a 90/10 model.
- Personalized Student-Centered Learning that is flexible and progress based with student ownership that provides significant opportunities for both voice and choice by students.
- Inclusive School Culture by creating a Caring Community that is Diverse, Equitable and Inclusive. Supports Students Needs and promotes Significant Community and Family Engagement.
- Prepared for the Future through 21st Century skill development and a Global Curriculum that provides tools and the understanding of world issues and gives students the confidence and skills to thrive and contribute to solving global problems and thrive in a global society.
