

**Bilingual Social Studies Teacher
Middle School 6-8**

Escuela Éxitos is a Two-Way Dual Language Spanish/English Immersion school seeking highly qualified teachers to join its founding school team of academic leaders. We are a diverse learning community that will serve and develop bilingual and biliterate future leaders ready to change the world. We believe that learning should be both rigorous and joyful. The K-8 public charter school utilizes personalized, student-centered learning, global education, and collaborative strategies to ensure its scholars are prepared to thrive in a diverse and global future.

Key elements of the Escuela Exitos model include:

- Two-Way Dual Language Immersion for Language and Literacy learning using a 90/10 model.
- Personalized Student-Centered Learning that is flexible and progress based with student ownership that provides significant opportunities for both voice and choice by students.
- Inclusive School Culture by creating a Caring Community that is Diverse, Equitable and Inclusive. Supports Students Needs and promotes Significant Community and Family Engagement.
- Prepared for the Future through 21st Century skill development and a Global Curriculum that provides tools and the understanding of world issues and gives students the confidence and skills to thrive and contribute to solving global problems and thrive in a global society.

DUTIES/RESPONSIBILITIES

- Facilitate teaching and learning in a two-way dual language instructional model
- Demonstrate cultural competency with students, families, and colleagues. Have a proven track record of using classroom-based culturally sustaining practices to empower students
- Demonstrate relentless optimism about students' abilities to excel. Maintain a positive and engaging learning environment that empowers students to become self-motivated, responsible, and resilient learners
- Commitment to working with team members in a highly collaborative teaching and learning environment with an unequivocal focus on equity, excellence, and empowerment of students
- Align instruction with the State Standards and WIDA Frameworks, and create meaningful opportunities for multilingual learners to access content and language learning. Use a variety of data to drive instruction.
- Utilize challenging instructional curriculum and programs with fidelity
- Participate in the MTSS process to provide evidence-based interventions for struggling learners. Have strong knowledge of the distinction between language development needs and learning disabilities
- Develop and implement classroom and curricular accommodations and modifications for students, including language development adaptations and adaptations for students with learning challenges. Demonstrate the belief that all students are capable of thriving in a two-way dual language setting
- Communicate regularly with families to facilitate a true partnership between school and home that will be aligned and support student growth and development

QUALIFICATIONS/REQUIREMENTS

- Minnesota teaching license in the field (5-8 Social Studies)
- Bilingual, Biliterate in Spanish and English
- Demonstrated success in accelerating student outcomes via data-informed instruction.
- Deep knowledge of the pedagogy of two-way dual language immersion
- Track record of implementing standards, assessment, curriculum, and instruction aligned with the two-way dual language immersion model. Ability to bring Latin History and Studies to the classroom
- An unwavering respect for and commitment to diversity and equity.
- Ability to work in a highly collaborative environment and contribute to professional practice
